A Long Tradition of Service

Founded in 1935, the New York Women's Bar Association is a non-profit organization devoted to promoting the fair and equal administration of justice. Through its committees, the NYWBA strives to improve the status of women, educate women lawyers and support professional development and advancement. Our Judiciary Committee actively reviews the qualifications of judicial candidates, and through our affiliation with the Women's Bar Association of the State of New York (WBASNY), NYWBA also comments on proposed legislation and policy at state, federal and international levels.

Rewards of Membership

By joining the NYWBA, you become a member of WBASNY, a statewide network of attorneys and judges. You will receive the NYWBA monthly newsletter and the WBASNY newsletter, and you will have access to our members-only website. You can join innovative committees at no additional charge and attend our highly regarded continuing legal education programs at a discount. You can participate in "mentoring circles" and work on important projects. NYWBA also sponsors numerous special events, including an annual awards dinner and an annual reception for newly elected and newly appointed judges.

New York Women's Bar Association Foundation, Inc.

The NYWBA Foundation is a non-profit 501(c)(3) charity whose mission is to eliminate gender bias and other forms of discrimination from the legal system and profession; to promote the social and economic equality, safety, and well-being of women and children; and to address the unmet legal needs of women and children.
