Full and partial scholarships for this program based on financial need are available

CO-SPONSORED BY:

QCWBA is partnering with the Queens Family Justice Center to raise funds for Target gift cards for survivors that visit the Queens Family Justice Center to provide for their basic necessities.

The Queens Family Justice Center (QFJC) is for survivors of domestic and gender-based violence and their children. The QFJC provides free services and confidential assistance by phone and in person. Survivors can get connected to organizations that provide case management, economic empowerment, counseling, civil legal, and criminal legal assistance. There is a growing need for necessities such as diapers, clothing, baby formula, groceries, and toiletries. The Target eGift cards would be used to help clients entering shelter or fleeing to a safe location, replace the items that they left behind and to purchase groceries to feed their families. The gift cards will help survivors to remain safe and healthy.
