ANNUAL INSTALLATION DINNER and AWARDS PRESENTATION

Monday, May 7, 2012

**ABOUT
JUDGES AND LAWYERS BREAST CANCER ALERT**

Concern about the prevalence of breast cancer and related issues prompted a group of New York judges and attorneys to establish Judges And Lawyers Breast Cancer Alert (JALBCA) in March 1992. This bar association of judges and lawyers is dedicated to promote awareness of breast cancer, to educate all parts of the community about issues relevant to the diagnosis, treatment and cure of this disease and to develop new programs and services that utilize the singular talents of jurists and members of the bar. By virtue of their skills, knowledge and access to the legal process and to legal workplaces JALBCA members can reach women and men who may lack other access to information and education about breast cancer.
